2. Regional Group Seminar Monday 22 Sep 1300-1500

Regional Group Seminar - The focus of the group seminar is to continue to build upon the panel discussion from the morning. The goal is to stimulate discussions that will lead to identification of related issues/problems, as well as potential solutions.

Each group will develop a short (5-7 slides) out brief presentation which will address regional and shared issues listed in paragraph 1. Facilitators will have a laptop for each group and provide a template for the out brief presentation. Professor Hoyt (Group 1), Professor Marrin (Group 2), Master Chief Peterson (Group 3), and Master Chief Ford (Group 4) will act as facilitators for each group.

One or more members from each group will presents their out brief to the GMSES assembled group and answers questions from the other participants. Moderators will act to highlight common challenges and opportunities and will provide a synopsis of discussions.
