Attention: James Kline

The United States Coast Guard Chief Petty Officers Association is a national nonprofit organization with chapters all over the country. The Cape Cod Chapter has been very active in the local communities, and has donated both time and money to such groups as, hosting Special Olympics, The Shriners Burn Center, The Samaritans, and many local adult and youth activities.

We are holding a fund raising golf tournament at Bay Pointe Country club in Onset, Ma on May 16th, 2008. We are asking local merchants to sponsor holes for \$75, tee boxes and or greens for \$45, you will also have the opportunity to sponsor individual golf carts for a donation of \$10. All sponsors will be acknowledged with a placard prominently displayed at each hole they sponsor or in the window of the golf cart they have sponsored. Merchants may also donate items that can be used as prizes for this event. All contributors will be recognized in the Tournament program.

Your donations will enable us to continue our support for the many great causes that are present in the Cape Cod communities that we so proudly serve. If you would like further information, please contact James Kline.

Checks should be made out to Cape Cod Chapter CPOA and sent to the above address. Please include a business card so that we may properly display your information on your donation placard.

Thank You,

Jim Kline
