

Explanation of Teaching Aids

Demonstration

1. Demonstrate the trailering equipment. Describe the pieces as they are shown
2. Demonstrate other safety equipment

Hierarchy Cards

Materials

Tag Board or Card Stock
Large tip markers

Instructions

5 (five) 8 1/2 x 11 sheets of paper
Print with board tip markers each of the following on a sheet.

- a. Powerboat (boat with an engine)
- b. Sail boats & rowboats
- c. Fishing Boat (commercial fishing with a net)
- d. A boat or ship not able to easily maneuver (tankers, ferries, large ships)
- e. Vessel not under command (boat or ship that has lost power, steering, or control)

Powerboat (boat with an engine)

Felt Board

Material

Small piece of corrugated card board about 15 x15
Piece of black felt 17 x17 enough to fold under cardboard
Red, green, white, yellow pieces of felt about 3" in diameter
enough felt for 2 or 3 of each color

Instruction

Tape felt over card board
Cut out round pieces about 3" diameter of the different colors for lights
