

~Tiger Cruise~

11-13 NOV 2007

For the first time in over two years, CGC HAMILTON hosted a dependent's "Tiger" cruise for HAMBONE family members. We welcomed onboard seven guests and they had quite a show! From sailing under the Golden Gate and Coronado Bay Bridges to watching a movie under the stars be interrupted by an blazing incinerator fire. Our guests saw HAMILTON sailors at their very best and were assuredly happy to be back on dry land, even though a day late. Highlights include: dolphin and whale sightings, two beautiful sunset and sunrises, the opportunity to sleep and dine like a HAMBONE Sailor, and of course the chance to see what we do and how well we do it. Thanks to this year's participants for being so enthusiastic and understanding! We look forward to the next chance to show new faces the 378' Coast Guard Cutter life.
